Food and Drug Administration
5600 Fishers Lane Room 1061
Rockville, MD 20857

Dear Sirs:

I oppose the draft M.O.U. being proposed by the FDA.
In particular, I object to the definition of "inordinate amount" which means that only a limited number of prescriptions from specialized pharmacies could be shipped out of state.

If this limitation is imposed, my quality of life will be compromised by restricting my ability of obtain the medication I need from my doctor which is not available from commerical pharmarceutical manufacturers.

Please do not limit my right to choose where and how I get the medication I need.

Thank you.

Sincerely,

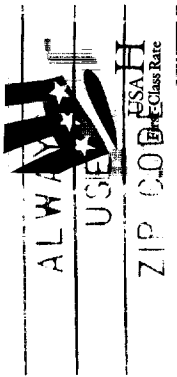

Carol Wilson
